

## GRAMMAR PRACTICE

# Future Perfect in Work and Careers

Work and Careers | Completed actions before a future time | Cambridge IGCSE ESL 0511

## 1. Lead-in discussion

Talk with a partner. You may already use this grammar without noticing it.

No.	Question
1	What will you have learned by the end of this school year?
2	What skills will people need by the time they start work?
3	What will you have achieved before leaving school?
4	How might jobs have changed by 2035?

## 2. Grammar in context

Read the text. The bold phrases show the grammar used in a natural topic context.

### Preparing for Future Careers

By the time today's students enter the workplace, many jobs **will have changed** because of technology and automation.

Some learners **will have developed** digital skills before they apply for their first job. Others **will have gained** practical experience through volunteering or part-time work.

By 2035, employers **will have created** new roles that do not exist today. However, communication, teamwork and adaptability will still be important.

## 3. Notice the pattern

Use the future perfect for actions that will be completed before a future time.

Use	Form / signal	Example
Form	will have + past participle	Jobs will have changed by 2035.
Future deadline	by + future time	By the end of school, students will have learned useful skills.
Before another future action	by the time + present simple	By the time they start work, they will have gained experience.
Completed future result	focus on completion	Employers will have created new roles.

## 4. Build accurate sentences

Complete each sentence using the grammar focus. Then write two examples of your own.

No.	Prompt	Use	Your answer
1	Jobs / change / by 2035.	will have	
2	Students / develop / digital skills by the time they apply.	will have	
3	She / gain / experience before leaving school.	will have	
4	Employers / create / new roles by then.	will have
